Legacy Giving at Ronald McDonald House Charities South Central Ontario

You may already be making annual gifts in support of your favourite charities.

Please consider exploring the benefits, both personal and financial, of a planned gift in support of Ronald McDonald House Charities South Central Ontario (RMHCSCO).

Establish a Bequest in Your Will

Wills are the central pillar of estate planning. Upon your passing, your estate will receive a tax receipt equal to the value of your bequest. If you are considering a gift by Will, consult with a professional advisor or legal professional who will assist you in your estate planning wishes. Amending your Will can be as simple as creating a notarized letter (called a codicil) that is attached to your current Will and outlines your intention to donate a portion of your estate to RMHCSCO.

Give the Gift of Registered Retirement Funds

By donating retirement savings plans or funds (RRSP/RRIF) you can support RMHH after your needs, and those of your loved ones, have already been met. You can avoid estate fees by designating RMHCSCO as the beneficiary of your retirement savings on your registered documents. Your estate will receive a tax receipt for the value of the investment at the time of your death which can be applied towards the estate's final income tax return.

The Gift of Life Insurance

An inexpensive way to create a significant investment in RMHCSCO is by gifting a life insurance policy to the House. Such gifts can be made by:

1. Transferring the ownership of a new or existing policy to RMHCSCO, you will then receive an annual tax receipt for premiums paid after the date of transfer. Or alternatively,
2. Naming RMHCSCO as the beneficiary of your policy which will result in a tax credit upon your passing, thereby reducing your estate taxes and increasing the after-tax value of your estate for other beneficiaries.

A well-planned gift will touch the lives of many families and leave a lasting legacy at Ronald McDonald House South Central Ontario.
